Subject Index

Acquired Immune Deficiency Syndrome (AIDS)
AIDS and the sex therapists: "Just the facts please ma'am." 22(3), 403-408.
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. 22(2), 249-254.
Adolescent/Adolescence
Contraceptive self-efficacy: A perspective on teenage girls' contraceptive behavior. 22(3), 347-369.
Adultery (see *Extramarital*)

Affect Abjective Checklist (*Mosher & Abramson*)
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
Aggression
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Of apes and men (including females!). *22*(2), 255-267.
The role of sadism and peer pressure in the sexual aggression of male college students. *22*(3), 320-332.
Anorexia Nervosa
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Arousal
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
Sexual fantasies and sexual satisfaction: An empirical analysis of erotic thought. *22*(2), 184-205.
Attitudes
Contraceptive self-efficacy: A perspective on teenage girls' contraceptive behavior. *22*(3), 347-369.
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
The dimensionality of perspectives on premarital sex: A comparison of Guttman and INDSCAL dimensionality. *22*(1), 94-107.
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Vaginal reconstruction in gynecologic cancer: A feminist perspective. *22*(3), 333-346.
Attitudes Toward Women Scale (*AWS*) (*Spence & Helmrich*)
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Attitudes Toward Rape Scale (*ATR*) (*Feild*)
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Attraction
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Bem Sex-Role Inventory (*BSRI*) (*Bem*)
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Birth Control (see *Contraception*)
Body-Image
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.

U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Bulimia
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Cancer
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Vaginal reconstruction in gynecologic cancer: A feminist perspective. *22*(3), 333-346.
Child/Childhood
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Incest: Self-report findings from a nonclinical sample. *22*(4), 463-477.
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Child Molestation
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Chlamydia Trachomatis
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. *22*(2), 249-254.
Clinical Psychology
Are clinical psychology graduate students being taught enough about sexuality? A survey of doctoral programs. *22*(4), 520-524.
Cohabitation
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
Coitus
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
College Student (see *Student*)
Conservatism/Liberalism
An updated longitudinal content analysis of sex references in mass circulation magazines. *22*(3), 385-392.
Contraception
Contraceptive self-efficacy: A perspective on teenage girls' contraceptive behavior. *22*(3), 347-369.
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
Contraceptive Self-Efficacy Scale (*CSE*) (*Levinson*)
Contraceptive self-efficacy: A perspective on teenage girls' contraceptive behavior. *22*(3), 347-369.
Cross-Gender Fetishism Scale (*Blanchard*)
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Deviance
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Dreams
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Education (see *Sex Education*)
Erotic; Erotica
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Sexual fantasies and sexual satisfaction: An empirical analysis of erotic thought. *22*(2), 184-205.

An updated longitudinal content analysis of sex references in mass circulation magazines. *22*(3), 385-392.
Ethnomusicology
Country music sex songs: An ethnomusicological account. *22*(3), 370-378.
Evolution
Of apes and men (including females!). *22*(2), 255-267.
Extramarital
Country music sex songs: An ethnomusicological account. *22*(3), 370-378.
Outcomes of sexually open marriages. *22*(3), 311-319.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Fantasy
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Sexual fantasies and sexual satisfaction: An empirical analysis of erotic thought. *22*(2), 184-205.
Female
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Femininity
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Fetishism
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Gender Identity
Adaptive training for existing male transsexual gender role: A case history. *22*(4), 514-519.
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Generalized Contentment Scale (GCS) (Hudson)
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Genital Identity
Genital identity: A core component of sexual- and self-identity. *22*(3), 399-402.
Genitals
Naming sexual body parts: Preliminary patterns and implications. *22*(3), 393-398.
Gonorrhea
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. *22*(2), 249-254.
Guilt (see also *Sex Guilt*)
Incest: Self-report findings from a nonclinical sample. *22*(4), 463-477.
Gynecology
Vaginal reconstruction in gynecologic cancer: A feminist perspective. *22*(3), 333-346.

Health Belief Model
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
Herpes
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Herpes Attitudes Scale (*HAS*) (*Bruce & McLaughlin*)
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Herpes Knowledge Scale (HKS) (*Bruce & McLaughlin*)
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. *22*(2), 249-254.
Heterosexism
AIDS and the sex therapists: "Just the facts please ma'am." *22*(3), 403-408.
Homosexuality
AIDS and the sex therapists: "Just the facts please ma'am." *22*(3), 403-408.
Sampling gay men. *22*(1), 21-34.
Hormones
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
Hysterectomy
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Hysteria
U.S. trends in feminine beauty, and overadaptation. *22*(3), 281-303.
Incest
Incest: Self-report findings from a nonclinical sample. *22*(4), 463-477.
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Index of Family Relations (*IFR*) (*Hudson*)
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Index of Marital Satisfaction (*IMS*) (*Hudson*)
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Index of Self-Esteem (*ISE*) (*Hudson*)
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Index of Sexual Satisfaction (*ISS*) (*Hudson*)
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Intercourse (see *Coitus*)
Jealousy
Outcomes of sexually open marriages. *22*(3), 311-319.
Kinsey
Extracting valid sexological findings from severely flawed and biased population samples. *22*(1), 6-20.
Liberalism (see *Conservatism/Liberalism*)
Linguistics
Naming sexual body parts: Preliminary patterns and implications. *22*(3), 393-398.
Love
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.

Male
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
The role of sadism and peer pressure in the sexual aggression of male college students. *22*(3), 320-332.
Manifest Anxiety Scale (Taylor)
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Marriage/Marital
Outcomes of sexually open marriages. *22*(3), 311-319.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Mastectomy
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Masturbation
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Measurement
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Extracting valid sexological findings from severely flawed and biased population samples. *22*(1), 6-20.
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Sampling gay men. *22*(1), 21-34.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Menstruation
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
Methodology
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
The dimensionality of perspectives on premarital sex: A comparison of Guttman and INDSCAL dimensionality. *22*(1), 94-107.
Extracting valid sexological findings from severely flawed and biased population samples. *22*(1), 6-20.
Methodology in sex research in 1986: An editor's commentary. *22*(1), 1-5.
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Sampling gay men. *22*(1), 21-34.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Media
An updated longitudinal content analysis of sex references in mass circulation magazines. *22*(3), 385-392.
Modified Androphilia-Gynephilia Index (Blanchard)
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.

Mosher Forced-Choice Inventory (Mosher)
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Music
Country music sex songs: An ethnomusicological account. *22*(3), 370-378.
Myths (see *Sex Myths*)
Natural Selection Theory
Of apes and men (including females!). *22*(2), 255-267.
Odor (see *Pheromone*)
Open Marriage (see *Extramarital*)
Orgasm
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
Sexual fantasies and sexual satisfaction: An empirical analysis of erotic thought. *22*(2), 184-205.
Outcome Research
Outcomes of sexually open marriages. *22*(3), 311-319.
Pedophilia
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Permissiveness
The dimensionality of perspectives on premarital sex: A comparison of Guttman and INDSCAL dimensionality. *22*(1), 94-107.
Pheromone
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
Pictures of Facial Affect (The) (Ekman & Freisen)
The role of sadism and peer pressure in the sexual aggression of male college students. *22*(3), 320-332.
Pornography (see *Erotic; Erotica*)
Pregnancy
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
Premarital
The dimensionality of perspectives on premarital sex: A comparison of Guttman and INDSCAL dimensionality. *22*(1), 94-107.
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Premarital Sexual Permissiveness Scale (Reiss)
The dimensionality of perspectives on premarital sex: A comparison of Guttman and INDSCAL dimensionality. *22*(1), 94-107.
Premature Ejaculation
Of apes and men (including females!). *22*(2), 255-267.
Prostitution
Country music sex songs: An ethnomusicological account. *22*(3), 370-378.
Psychophysiology
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Sex history, menstrual cycle, and psychophysical ratings of alpha androstenone, a possible human sex pheromone. *22*(2), 243-248.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.

Public Health
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. *22*(2), 249-254.
Rape
Exposure to pornography and attitudes about women and rape: A correlational study. *22*(3), 378-385.
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
The role of sadism and peer pressure in the sexual aggression of male college students. *22*(3), 320-332.
Rape Myth (see *Sex Myth*)
Religiosity
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Response Bias
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Sadism
The role of sadism and peer pressure in the sexual aggression of male college students. *22*(3), 320-332.
Sampling
Extracting valid sexological findings from severely flawed and biased population samples. *22*(1), 6-20.
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Sampling gay men. *22*(1), 21-34.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Satisfaction
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.
Sexual fantasies and sexual satisfaction: An empirical analysis of erotic thought. *22*(2), 184-205.
Self-Efficacy
Contraceptive self-efficacy: A perspective on teenage girls' contraceptive behavior. *22*(3), 347-369.
Self-Esteem
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Self-Identity
Genital identity: A core component of sexual- and self-identity. *22*(3), 399-402.
Self-Image
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Semantics
Naming sexual body parts: Preliminary patterns and implications. *22*(3), 393-398.
Sex Differences
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
Sexual behavior of cohabitors: A comparison of four independent samples. *22*(4), 492-513.

Sex Education
Abstracts on sexuality by medical, nursing, and social work students: Preferences for journal and topic. *22*(4), 525-531.
Are clinical psychology graduate students being taught enough about sexuality? A survey of doctoral programs. *22*(4), 520-524.
Sex Guilt
Incest: Self-report findings from a nonclinical sample. *22*(4), 463-477.
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
Sex Guilt Inventory (see *Mosher Forced-Choice Inventory*)
Sex Knowledge
Abstracts on sexuality by medical, nursing, and social work students: Preferences for journal and topic. *22*(4), 525-531.
Are clinical psychology graduate students being taught enough about sexuality? A survey of doctoral programs. *22*(4), 520-524.
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
Sex, Love, Marriage Scale (SLM) (*Weis, Slosnerick, Cate, and Sollie*)
A survey instrument for assessing the cognitive association of sex, love, and marriage. *22*(2), 206-220.
Sex Myths
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.
Sex Research
Abstracts on sexuality by medical, nursing, and social work students: Preferences for journal and topic. *22*(4), 525-531.
Are clinical psychology graduate students being taught enough about sexuality? A survey of doctoral programs. *22*(4), 520-524.
Extracting valid sexological findings from severely flawed and biased population samples. *22*(1), 6-20.
Methodology in sex research in 1986: An editor's commentary. *22*(1), 1-5.
Orgasmic latency and subjective ratings of erotic stimuli in male and female subjects. *22*(1), 85-93.
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Sampling gay men. *22*(1), 21-34.
Social and attitudinal determinants of contraceptive choice: Using the Health Belief Model. *22*(4), 478-491.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Sex Therapy
Adaptive training for existing male transsexual gender role: A case history. *22*(4), 514-519.
Efficacy of group therapy for problems with postmastectomy self-perception, body-image, and sexuality. *22*(4), 438-451.
Genital identity: A core component of sexual- and self-identity. *22*(3), 399-402.
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Naming sexual body parts: Preliminary patterns and implications. *22*(3), 393-398.
Vaginal reconstruction in gynecologic cancer: A feminist perspective. *22*(3), 333-346.
Sexual Abuse
Explanations of pedophilia: A four factor model. *22*(2), 145-161.
Guided imagery of rape: Fantasy, reality, and the willing victim myth. *22*(2), 162-183.

Incest: Self-report findings from a nonclinical sample. *22*(4), 463-477.
Some correlates of women's childhood sexual experiences: A retrospective study. *22*(2), 221-242.
Sexual Arousability Inventory (*Hoon, Hoon, & Wincze*)
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Sexual Experience Inventory (*Mosher & Cross*)
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
Sexual Experience Inventory (*Wells*)
Predictors of female nocturnal orgasms: A multivariate analysis. *22*(4), 421-437.
Sexual Identity
Genital identity: A core component of sexual- and self-identity. *22*(3), 399-402.
Sexual Liberalism Scale (*Athanasiou & Shaver*)
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Sexual Satisfaction Scale (*Whitley & Poulsen*)
A multivariate analysis of female nocturnal orgasms. *22*(4), 421-437.
Sexuality
Methodology issues in studies of sexuality and hysterectomy. *22*(1), 108-128.
Vaginal reconstruction in gynecologic cancer: A feminist perspective. *22*(3), 333-346.
Sexually Transmitted Disease (*STD*)
AIDS and the sex therapists: "Just the facts please ma'am." *22*(3), 403-408.
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Evaluating public health perspectives of sexually transmitted diseases: The need for further research. *22*(2), 249-254.
Social Desirability Scale (*Crowne-Marlowe*)
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Student
Abstracts on sexuality by medical, nursing, and social work students: Preferences for journal and topic. *22*(4), 525-531.
Are clinical psychology graduate students being taught enough about sexuality? A survey of doctoral programs. *22*(4), 520-524.
The development of scales to assess knowledge and attitudes about genital herpes. *22*(1), 73-84.
Premarital sexuality: A ten-year study of attitudes and behavior on a small university campus. *22*(3), 304-310.
Symbolic Interaction Theory
Genital identity: A core component of sexual- and self-identity. *22*(3), 399-402.
Therapy (see *Sex Therapy*)
Transsexual Attitude Scale (*Barlow*)
Adaptive training for existing male transsexual gender role: A case history. *22*(4), 514-519.
Transsexualism
Adaptive training for existing male transsexual gender role: A case history. *22*(4), 514-519.
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.

Transvestism
Phallometric detection of fetishistic arousal in heterosexual male cross-dressers. *22*(4), 452-462.
Venereal Disease (see *Sexually Transmitted Disease*)
Volunteer Bias
Questionnaire response bias and face-to-face interview sample bias in sexuality research. *22*(1), 52-72.
Volunteer bias in the psychophysiological study of female sexuality. *22*(1), 35-51.
